GENERAL DATA PROTECTION REGULATION.

Membership Records (Name, Address, Callsign, Renewal Date) are held on a personal computer by the Secretary and the Treasurer, and other BYLARA Committee members who have been formally tasked by Committee to support with maintaining membership records. This makes it easier for them to keep track of Current Members and Subscriptions, and also saves the trouble of addressing envelopes by hand. Additionally, Committee Members may, for example, be tasked to keep track of paid members eligible to access our Facebook Member's Group. These details will not be passed on to anyone else.

PLEASE LET US KNOW IF YOU OBJECT TO YOUR DETAILS BEING HELD ON COMPUTER.

We like to introduce New Members to the others through the Newsletter. Please tell us a little bit about yourself ;e.g. occupation, family including any pets, any other licences in the family, hobbies, special interest in Amateur Radio, involvement in other Radio Organisations or Clubs on the reverse of this form.
